A portion of Smith Springs Rd proposed to be renamed "Castlegate Dr"

Map 136-10 / District 29

There is a section of right-of-way in the 29th District between Smith Springs Rd and Castlegate Dr that was recorded as "Relocated Smith Springs Rd" in Book 4460, Pg 115, RODC. Smith Spring Rd is the Official Name of this section on the GIS Property Maps which could cause confusion by having two sections of right-of-way with the same name.

To eliminate confusion and possible safety issue, Public Works has proposed that the name of the designated right-of-way on the attached map be changed to "Castlegate Dr". The street sign at the intersection with Smith Springs Rd already has "Castlegate Dr" on it and there are no Smith Springs Rd addresses being used on this section.

The 29th District Council Member, Delishia Porterfield has agreed to support this street renaming proposal.

Please begin the Mandatory Referral process for this street renaming request. Let me know if you have any questions regarding the proposed street renaming.
